TULARE COUNTY DISTRICT ATTORNEY TIM WARD

Fellow Lions, our scheduled guest speaker was not here today due to a scheduling snafu.

Fortunately, Tulare County District Attorney Mr. Tim Ward was at our club as a guest of club First Vice President Jamil Nushwat and after some coaxing by our members, Tim gave us an update on the latest Senior Scam that is hitting our area.

Tim says be aware with all the new Health Care Laws going into effect there are Scam Artists that are calling claiming they are from Health Insurance Companies. They claim that they will require your Vital Personal Information in order to process your Health care Insurance and then once they have this information, then they can access your personal accounts.

Tim also reminded us that November is Domestic Violence Month and not only is there physical violence but Intimate Violence in our society. Intimate violence is when someone who is controlling another person by controlling what they do, what they wear, who they see and other controlling factors. Tim says this controlling behavior is another form of Domestic Violence and are warning signs of a more severe underlying behavior problems.

TODAYS MEETING

Hello Lions
Club President Lion Carol Jones started today's meeting by having Lion Dee Baughman lead us in song. Lion Jamil Nushwat led us in the Pledge to our Nations Flag and Lion George fry led us in a prayer.
