CAREER PROGRAMS VISALIA UNIFIED SCHOOL DISTRICT

Our Guest Speaker for Friday's meeting was Bill Davis speaking to us about how the Visalia Unified School District (VUSD) will be implementing a new Career Program for the students of VUSD in which students will be able to be placed into job training programs that will lead them directly into the job force once they graduate from high school.

The picture directly behind our guest speaker makes him look like a Sphinx and we need to have it removed during our future meetings.
